

Rasta Man Chant

Song by Bob Marley and the Wailers

Hear the words of the Rastaman say

"Babylon, you throne gone down, gone down
Babylon, you throne gone down"

Said I hear the words of the Iyaman say

"Babylon, you throne gone down, gone down
Babylon, you throne gone down"

And I hear the angel with the seven seals

"Babylon throne gone down, gone down
Babylon throne gone down"

I say fly away home to Zion (fly away home)

I say fly away home to Zion (fly away home)

One bright morning when my work is over

Man will fly away home

One bright morning when my work is over

Man will fly away home

One bright morning when my work is over

Man will fly away home

yeah one bright morning when my work is over

we will fly away home
